0:11 decided we're deer yeah I've been going  
0:13 around the country and I've been saying  
0:15 audiences the world these days is what  
0:17 would you say the world is it's [ \_ ]  
0:19 yeah it's too much all over the UK doing  
0:22 that going the world this pretty much  
0:23 unanimously people are like it's [ \_ ]  
0:26 and then I was in America I did a show  
0:28 in America and I went the world is  
0:30 silence and then one woman just went  
0:32 ending what should we go home I'm from  
0:38 North I'm from Canada any Canadians cool  
0:41 good  
0:42 I mean we're staying where we are it's a  
0:45 safe place but my mom Wendy lives and  
0:49 lives in Canada she's not coping with  
0:52 the state of the world and I called her  
0:54 after Trump got elected like two hours  
0:56 after the election I was like I wanted  
0:57 moral support I was like god it's bad  
0:59 news right it's really pretty bleak long  
1:01 silence and she's goes well I've  
1:04 canceled my gym membership two hours  
1:08 after the election she's like well I  
1:09 think when the world is on fire Zumba is  
1:12 gonna seem like a supreme waste of my  
1:14 time  
1:17 but she's I mean they're mostly  
1:20 concerned my parents because I'm I'm a  
1:22 single woman anyway there's stress my  
1:28 parents are like forget North Korea move

1:31 really stressful and I'm fine I'm trying  
1:33 to get into it I'm trying to get into

1:52 marry and kill and I hear myself be like  
1:53 [ \_ ] no and I'm too fragile marry  
1:55 everyone kill myself  
1:59 is that an option I didn't so I like is  
2:02 this where I'd like to date myself is  
2:05 that okay only because I would text  
2:07 myself back so fast it would be so  
2:10 relaxing I'd be like hey hey that quick  
2:12 if it you wouldn't even see the gray  
2:14 ellipsis when someone's typing you know  
2:15 the dot oughta be like love you love you  
2:18 how are you scared I'm dating boys again  
2:23 so I've been okay I've been pretty much  
2:25 exclusively in long-term relations with  
2:28 women for the past decade but now I'm  
2:31 mixing up I'm dating men again quite a  
2:33 weird time in the world to be like  
2:35 getting into men it is weird like my  
2:39 friends are like um have you read the  
2:41 news like it turns out they're all  
2:43 pretty much disgusting I just I just got  
2:45 here it sucks but I'm trying to get I'm  
2:49 getting into it but no one believes me  
2:52 that I'm attracted to men because I look  
2:54 like I'm in one direction it's fine no  
2:58 one's buying it because I look like the  
2:59 blond one from one day I'm saying the  
3:02 blonde one like I don't know his name is  
3:05 Niall Horan  
3:07 he's a Sagittarius yeah even I feel like  
3:13 even the boys that I go on dates with  
3:15 don't believe that I'm into men  
3:18 genuinely okay I went on a date with a  
3:19 friend of mine like so we're in this bar  
3:21 and we'd had a few drinks and we started  
3:23 making out I'm kind of a legend and all  
3:28 of a sudden he just stops and he goes  
3:30 god this is so crazy for me and I was  
3:32 like oh why and he goes I'm not even gay
